

47th District Court Traffic Fine Schedule

Traffic Division Telephone: (248) 871-2920

When issued a citation, you **must** take one of the following 3 actions by/within **the appearance date/time frame written on the ticket**:

1. Admit Responsibility: If you admit responsibility, please make payment to the 47th District Court via one of the payment options below. The Office of the Secretary of State, not the Court, will then apply the corresponding license sanctions (e.g. points, suspensions) based on the charge as outlined in statute.

2. Admit Responsibility with Explanation: Submit a letter explaining the circumstances of why you are admitting responsibility to the charge. Regardless of your explanation, the judge or magistrate **cannot** dismiss or reduce the charge, **cannot** waive or reduce the point(s), and **cannot** waive or reduce the corresponding license sanctions. However, based on the explanation, the judge or magistrate may decide if a reduced fine is appropriate.

3. Deny Responsibility and Request a Hearing: If you deny responsibility, you may request either an informal hearing (no attorney representation) or a formal hearing (before a judge with the option for representation and a prosecuting attorney representing the police officer). Please call the Traffic Division at the above number if you wish to deny responsibility and request a hearing.

The Court MUST receive your response by/within the appearance date/time frame on the ticket or you will be found in default and an additional \$50 penalty shall be applied to the violation fee.
